12th Standard

2021 – 2022

Tundla, Uttar Pradesh

Christ The King Inter College
10th Standard

2019 – 2020

Tundla, Uttar Pradesh

COURSEWORK / SKILLS

- Data Structures & Algorithms
- Operating Systems
- OOPS Concepts
- Web Development

PROJECTS

PREP&RISE ↗

- **Prep&Rise** is a web platform designed to help users integrate AI models into applications. The platform offers a sleek, modern interface for enhancing job interview preparation through conversational AI. Built with **Next.js** for the frontend and backend logic, **Firebase** for authentication and data storage, styled using **Tailwind CSS**, and powered by **Vapi**'s voice agents.
Tools Used-Next.js, Tailwind CSS, Vapi, Firebase

MY PORTFOLIO ↗

- The 3D Portfolio project is a highly engaging personal website that features animated 3D scenes, smooth camera transitions, interactive model showcases, and responsive design. It's ideal for developers, designers, or freelancers looking to stand out in the digital crowd.
Tools Used- React.js, Tailwind CSS, Three.js, GSAP

CURRENCY CONVERTOR ↗

- Developed a responsive currency converter web application using **React.js** that allows users to convert between multiple global currencies in real-time. Integrated with an external API using the **Fetch API** to retrieve up-to-date exchange rates. Emphasized clean UI/UX with dynamic input handling and accurate data formatting.
Tools Used — HTML, CSS, JavaScript, React.js, Fetch API

TECHNICAL SKILLS

Languages: Java, JavaScript, SQL, HTML, CSS

Developer Tools: VS Code, GIT, Github

Technologies/Frameworks: ReactJS, NodeJS, ThreeJS, MongoDB

CERTIFICATIONS

- Introduction to CyberSecurity
- Fundamentals of Machine Learning with scikit-learn
- Fundamentals of Web Development
